United Health Group Stage

Group Leaders are asked to keep track of seat locations for their group members in order that tickets may be reprinted if lost or forgotten. This is EXTREMELY helpful if there are any problems or groups are unaware of how to reach their group leader. Please make sure that you inform your group of the appropriate procedures and meeting places. Please complete this for and fax it to 612-872-5170 or send it in advance of your show to:
